

# Virtual Quant Trading Challenge

August 17–23, 2026

Thank you for your interest in Akuna Capital! We're excited for you to participate in this year's Quant Trading Challenge! You will receive the invitation for the virtual trading challenge hosted through HackerRank shortly. The challenge will take 5–8 hours to complete. Directions will be available once you access the link.

**You will have until 11:59pm CDT on August 23<sup>rd</sup>, 2026 to complete your submission for the challenge.**

Get ready to gain hands-on trading experience by competing against other participants' on a simulated exchange. The most profitable submissions will win Akuna swag and be expedited in the recruitment processes for our 2027 Quant full-time or internship roles in Chicago!

## Challenge Prep Tips

**Check your junk or spam folder** if you don't see the HackerRank invitation in your inbox – make sure you are checking on the email you applied with!

Ensure you have a **stable internet connection**.

If you encounter technical issues, **contact HackerRank Support** immediately and do not proceed with or submit the challenge until the issue is resolved.

Note that AI usage is allowed, but you should otherwise complete the challenge without outside assistance.

**No extensions will be granted** – if you do not complete the challenge by August 23<sup>rd</sup> 2026, we will not be able to consider your submission.

**By participating in the challenge, you agree not to share its contents**, helping us maintain the integrity and fairness of our recruitment process.
